Re: Donation to Rainbow Elementary PTA
2018-2019

Dear Mr. Pontell:

Rainbow Elementary PTA expresses its sincere gratitude for your support this year. As a result of your generous donation in the amount of \$1,000.00 for our new car tags, and commitment to continue to support Rainbow throughout the year, Rainbow PTA has recognized you as a Gold Rocket Supporter. Thank you so much for your support. All funds we raise from our Business and Family Partnerships Program go directly to support programs and events for Rainbow Elementary and its students.

Please know your most generous donation is truly appreciated. We are looking forward to another great year at Rainbow Elementary – where our Students and Teachers Reach for the Stars!

Sincerely,

Teresa Latanza
